Dear Parents:

Next week, the Center for Effective Schools will begin administering feedback surveys to families across the state. Your views on matters like the safety of your child at school, the way students at school are taught, and your child's connection to school are crucial. These surveys will give you a unique opportunity to provide anonymous feedback about your experiences in these areas.

The survey window will be open from October 21, 2019 to November 13, 2019. I am writing to personally ask you to complete this survey and help leadership at Yellowstone College Prep make improvements.

Starting on October 21st, you will be able to access our school's brief, 10-minute survey by going to surveys.panoramaed.com/esf please enter the following access code: **101873001family**. Once again, anything you share will be completely anonymous and can never be tied back to you.

If you have any questions, please don't hesitate to reach out to our school's survey coordinator, Cheryl Lewis via email: clewis@yellowstoneschools.org.

Sincerely,

Deidra Lawson

Principal
