

YCP School Compact

2022-2023

A School Compact is an agreement that parents, students, and teachers develop together explaining how families and school will work together to promote student achievement.

VISION:

To develop our brilliant young thinkers into curious scholars and service-oriented leaders through a character empowerment program, a data driven culture, and a student-centered teaching and learning environment where all our scholars are prepared to live choice-filled lives.

PRIDE VALUES:

- **Positivity:** At Yellowstone College Prep, we smile first. We are a positive presence on campus and extend a good-natured grace and enthusiasm in all personal interactions.
- **Responsibility:** We follow through on our promises and commitments. We own our actions and will never settle for less than our best effort.
- **Integrity:** We demonstrate integrity in all circumstances and always put the best interests of the Yellowstone College Prep community first. We “walk the talk” and lead by example.
- **Determination:** We anticipate and overcome challenges. We are resilient in the face of obstacles and are committed to the success of every member of the Yellowstone College Prep community.
- **Excellence:** We hold everyone (families, students, colleagues) to the highest standard of excellence and constantly look for ways to enhance the Yellowstone College Prep experience.

COMMITMENTS:

Our commitments ensure that students, families and staff work together to achieve our vision and prepare our students for success.

TEACHER COMMITMENTS

- We will give each class period and each student a fresh start each day.
- We will use the behavioral systems and structures in place schoolwide with fidelity.
- We will adhere to the grade level and schoolwide norms and expectations.
- We will be a keeper of the school culture knowing that we all have a part in upholding students and ourselves to a high bar of excellence.
- We will be prepared each day by having daily lessons, materials, and smooth classroom systems and procedures.
- We will thoroughly internalize lessons to model, teach and insist excellence from our scholars.
- We will create a data-driven classroom environment where students know their goals and are invested in their growth and development.
- We will respond to data by using it to inform instruction, to strive toward student mastery of taught skills.
