

Yellowstone College Preparatory Charter School
Title I, Part A - SWP Documents Translation Procedure
2022-2023

ESSA Requirement

The Every Student Succeeds Act (ESSA) Section 1114(b) requires that an eligible school operating a schoolwide program shall develop a campus improvement plan. Section 1114(b)(4) states that the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand. Sections 1112(e)(4); 1114(b)(4); 1116(e)(5); and 1116(f) state that information regarding student interpretive, descriptive, and diagnostic reports, plans, policy, compact, parent meetings, and other required correspondence must be given in an understandable and uniform format, and to the extent practicable, in a language that parents can understand. USDE has not provided guidance or defined the term to the extent practicable.

Translation Procedure

Yellowstone College Preparatory will conduct an annual review of the language access needs of our parents, guardians, and others through review of the Home Language Survey forms, district/campus ethnicity data, and educator/parent/student feedback and requests.

Based on this analysis, the district has determined that they will provide information in the following language: English.

Monitoring

On an ongoing basis, Yellowstone College Preparatory will assess changes in demographics, types of services or other needs that may require reevaluation of this procedure. If 8% of a language is the “Home Language” for the district or a campus, Yellowstone College Preparatory will provide the translated documents listed above in that language upon request.
